INDEPENDENT AUDITOR'S REPORT TO THE TRUSTEES OF LankaBangla 1st Balanced Unit Fund

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of LankaBangla 1st Balanced Unit Fund (here-in-after referred to as "the Fund"), which comprise the statement of financial position as at 31 December 2025, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the statements of financial position of LankaBangla 1st Balanced Unit Fund as at 31 December 2025 and of its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) and comply with Securities and Exchange Rules, 2020, Securities and Exchange Commission (Mutual Fund) Rules, 2001 and other applicable laws and regulations.

Basis of Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Fund in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants (IESBA Code)*, and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Investments in Securities of Taka 266 million (listed and non-listed)

The existence and valuation of investments in securities are considered as a key audit matter as the investments represent the principal element of the net asset of the Fund. Valuation of the investments is required to comply with the valuation policy approved by the Trustee, Bangladesh Securities and Exchange Commission (Mutual Fund) Rules, 2001, and relevant IFRS.

How Our Audit Addressed the Key Audit Matter

We gained an understanding of the internal control structure and operating effectiveness of key controls surrounding the existence and valuation of investments.

We tested the existence of the investments by obtaining and reconciling the documents and information from the following sources:

1. Custodian of the Fund
2. CDBL
3. Brokerage House
4. DSE Website
5. Fund's Accounting Records

We tested the valuation of the investments by testing the compliance with the valuation policy approved by the Trustee, Prospectus of the Fund, Bangladesh Securities and Exchange Commission (Mutual Fund) Rules 2001, relevant IFRS and by comparing the investment valuation from prices obtained from independent sources.

We also checked rights & obligation and completeness of investments.

Responsibilities of Management for the Financial Statements

The Asset Manager of the Fund is responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards (IFRSs), Bangladesh Securities and Exchange Rules 2020, Bangladesh Securities and Exchange Commission (Mutual Fund) Rules, 2001 and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud and error.

In preparing the financial statements, the Fund's ability to continue as a going concern should be assessed, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting till the tenure of the Fund unless there is any intention to liquidate the Fund or cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. However, we have not come across any significant audit findings.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other Legal and Regulatory Requirements

In accordance with the Companies Act 1994 and the Securities and Exchange Rules, 2020, we also report the following:

- a) we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit and made due verification thereof;
- b) in our opinion, proper books of accounts as required by law have been kept by the Fund so far as it appeared from our examination of these books; and
- c) the Fund's statement of financial position and statement of profit or loss and other comprehensive income dealt with by the report are in agreement with the books of account and returns.
- d) the expenditure incurred was for the purpose of the Fund's business.
